Submitted to Ch. Secy.

The reference was sent direct to the Dewan as the proceedings under which the Deputy Commr took action were drafted by the Dewan Bahadur.

The Chief Secretary was also in Bangalore then and I thought time might be saved by sending the file direct.

I was not aware of the Ch. Secy's order that papers should be submitted invariably to him to the Dewan. I have asked this for future guidance.

SIR,

In returning the petition of Kamala Bayi, received with Government Proceedings No. (Camp) 479 dated 16th June 1894, I have the honor to submit herewith for information an extract from the Proceedings of the Building Committee dated 5th Instant, prescribing the localities and streets in the Western Extension, to be occupied by persons of a specified caste, and to state that as no houses now exist in the neighbourhood of Petitioner's house, as there is no likelihood of new houses springing up there for the present, the Secretary to the Building Committee has been requested to give Petitioner permission in writing to allow the occupation of her house by Mr. Adolphus.

I have the honor to be

His Excellency Sir K. Sheshadry Iyer
Dewan to His Highness the Maharaja of
Mysore.

May it please your Excellency

The humble petition of Kamalabayamma wife of the late T. Raghavendra Row Town magistrate and Vice — president of the town of Mysore.

Respectfully showeth

That the petitioner's husband began to build a bangaloo in the western extension of the Mysore town at an expense of Rupees 12 thousand and before he could complete it, accident put an end to his life; and the trouble of finishing the building fell to the lot of his unfortunate widow.

That the petitioner who has just completed it finds that the building is in an unfrequented corner of the town where Brahmans have not yet built and occupied houses she also finds that it is unsafe and insecure for her (a helpless female) for some time to come to live in

Mr. Adolphus one of the proffessors of the Maharaja's College having offered to occupy the house on a monthly rent of Rupees fifty and there being no offers of an equally remunerative character from any native gentleman she made arrangements to place the building at his disposal.

That now she begs to state the Vice president Municipality has issued a notice to Mr. Adolphus him not to occupy that house and this order tends to

arwe away gentlem
of the town and indirectly compels her either to
building unoccupied or rent it out to native gentleman
at a considarable loss. Thus the order interferes with her
income and places her in straightened circumstances.

That under the above circumstances she most
humbly prays that your Excellency will be pleased
to redress her grievances by directing the Mysore Munici-
cipality not to issue any such orders. In conclusion she
begs that a favourable reply might be given her.

She begs to remain your
Excellencie's most obedient
and humble servant.

His Letter no 1424 dt 22/June/94 stating that the Secretary to the Mysore Building Committee has been requested to give a written permission to petitioner Kamala Bayi to rent her house in the Western Extension to Mr Adolphus as no houses exist or are likely to spring up in its neighbourhood and also submitting an extract from the Proceedings of the Committee defining the localities in the Western Extension to be occupied by particular castes
